

Protection Plans

Protection plans provide **high life cover at a low premium** to secure your family's financial future in case of an unfortunate event. These plans are pure protection—there is no maturity amount—but they ensure your family never struggles financially.

✓ Simple Example

If you are 30 years old and choose a protection plan with a **₹1 Crore life cover**:

- You pay just **₹800–₹1,000 per month** (approx., depending on plan and term)
 - If something happens to you, your family receives **₹1 Crore** as financial support
 - They can manage **loans, EMIs, children's education, daily expenses** with peace of mind
-

✓ How It Works – Step by Step

Stage	What Happens
1. Choose Life Cover	Based on your income and responsibilities (10–20x of annual income recommended).
2. Select Policy Term	Cover duration like 25, 35, or 40 years.

3. Pay Low Premium	Premiums can be paid monthly, yearly, or one-time.
4. Secure Family's Future	In case of death, the claim amount goes to nominee.
5. Optional Riders	Add extra protection like critical illness cover or accidental death cover.
